fever pretend
revelation broken mystery
fail happy gentle demon
darling limit dissatisfied quiet
afraid crazy fall cold smile damn
pretty fine angel miss easy strange
blind afford fast cool fool lover
sorrow bad hard lies lost poor loves wonders
lose pain darkness freedom fallen trouble
wounds loving die beauty
bleed bright sweet shine break lie dead
hot sad dark loved blow cry hurt heal hero
delight wild shake lonely worried rough
warm burden wrong magic strong beautiful
thrill pale falling gold broke
knock worry win falls hate
heaven dangerous doubt
insane paradise stranger
